This TCU VISA® Accelerate Secured Credit Card (VASCC) Account Agreement ("VASCC Account Agreement") sets forth your rights and obligations and ours under your TCU Accelerate - Secured Credit Card Account ("Account"). Please read it carefully and retain it for future reference; it contains the terms that will govern your Account. In this Agreement, the applicant, co-applicant, and any other person you authorize to use the Account will be referred to as "you", "your", and "yours". TCU, or its agents, authorized representatives, successors, or assignees, will be referred to as "we", "our", and "us". There are three parts to this TCU VISA® Accelerate Secured Credit Card Agreement: 1) TCU VISA® Accelerate Secured Credit Card Account Application ("Credit Card Application") including Schumer disclosure, 2) the TCU VISA® Accelerate Secured Credit Card Account Agreement, and 3) TCU Accelerate Secured Credit Card Account Security Agreement. The TCU VISA® Accelerate Secured Credit Card Account Application shows a range of terms that includes both mail and online offers for new Accounts available under this Agreement as of April 1, 2022. The TCU VISA® Accelerate - Secured Credit Card Account Agreement contains important information related to consumer credit cards issued by TCU. This Agreement becomes binding at the time you apply for the Account, use the Account, accept or sign a credit card issued on the Account, whichever event occurs first. The TCU Accelerate Secured Credit Card Account Security Agreement contains the terms under which you grant us a security interest in your TCU share Account.

Promise to Pay: You promise to pay us, or our assigns, or to our order (in lawful money of the United States of America) the total amount of all transactions that you make on your Account. You also promise to pay the total amount of all transactions that others make on your Account with your permission, even if the amount transacted exceeds that which you had authorized. In addition, you promise to pay all other finance charges or interest, expenses, fees, or other fees that may be added from time to time, as provided for in this Agreement that become due on your Account.

Credit Limit: The credit limit for your Account will appear on your billing statement. You promise that you and others using your Account will not make transactions on your Account in an amount that exceeds your credit limit. You also promise to pay us the amount of any transactions on your Account in excess of your credit limit, including all other finance charges or interest, expenses, fees, or other fees that may be added from time to time, as we may require. Except as may be limited by applicable law, we, in our sole discretion, may increase or decrease your credit limit by any amount. We also may refuse to extend additional credit for any transaction if you have reached your credit limit or if you are in default (see default section).

THIS IS A SECURED CREDIT CARD. YOUR GRANT OF A SECURITY INTEREST IN A DEPOSIT ACCOUNT PURSUANT TO THE ATTACHED SECURITY AGREEMENT IS A CONDITION OF THE OPENING OF YOUR CREDIT CARD ACCOUNT.

Program Milestones. We will evaluate your credit score on a twelve-month review cycle, starting on the twelfth month after you opened your Account, for potential increases in your FICO score that would allow us to reduce your interest rate, or release our security interest granted under the Security Agreement. If your FICO score does not reach any of the milestones described below by the twenty-fourth month after you open your Account, we will re-start our review cycle.

Milestone 1: TCU will evaluate your credit score during the twelfth month after you opened your Account. If your FICO score is 650 or above at that time, we will reduce your interest rate to 14.99% annual percentage rate ("APR"). All outstanding and future balances will be calculated at the 14.99% APR. If your FICO score is below 650 at that time, you will not be eligible for any reduction in interest rate, and your Account will be evaluated after another 12 months which is 24 months after you opened your Account.

Milestone 2: TCU will evaluate your credit score during the twenty-fourth month after you opened your Account. If you had previously reached Milestone 1 at the first twelve-month milestone and your FICO score is now 680 or higher, we will release our security interest granted under the Security Agreement. If you had not reached Milestone 1 but your FICO score is now 650 but below 680, your interest rate will be reduced to a 14.99% APR as described in Milestone 1. If you had not reached Milestone 1, but your FICO score is now 680 or higher, your interest rate will be reduced to a 14.99% APR and we will release our security interest granted under the Security Agreement.

Review Cycle: If you have not reached Milestone 1 or Milestone 2, your credit score will be continually evaluated every twelve months in the month in which your account was opened for determining whether or not you have reached either or both milestones.

Payment and Cash Advance Details

Minimum Monthly Payment: Each month, by the 28th day of the month ("Payment Due Date") you must pay us at least the ("Minimum Monthly Payment") shown on your Account Statement for the Billing Cycle. The Minimum Monthly Payment will be equal to the following:

- 2% of your New Balance, or \$25.00, whichever is greater; plus, any amount Past Due
- Rounding. The Minimum Monthly Payment will be rounded up to the highest \$1.00
- Payment of balance. If your Loan Account Balance at the end of a Billing Cycle is less than \$25.00, your Minimum Payment will be equal to the entire outstanding Loan Account Balance.
- You may pay off all or part of what you owe at any time. If you pay more than the Minimum Payment amount, you must continue to make your periodic minimum payments as otherwise required by this Agreement.

Unless otherwise agreed or required by applicable law, your payments may be applied to what you owe us in any manner we choose. However, in every case, in the event you make a payment in excess of the required Minimum Monthly Payment, we will allocate the excess amount first to the balance with the highest APR and any remaining portion to the other balances in descending order based on the applicable APR's.

Recurring payments: VISA® has mandated that if you choose to store your Account information with any third parties, we may also share updates to this information with these third parties. Please note that this only applies to third parties with whom you elect to share this information. You may opt out of this, however, if you chose to do so, it will be for ALL recurring transactions, not just one.

Advances: There are three types of transactions that you can make on your Account: Purchases, Balance Transfers or Cash Advances. You make a Purchase when you use your credit card to buy goods or services, these transactions will be posted to the Purchase segment of your Account Statement. You make a Balance Transfer when you transfer a balance on another credit card to this Account. Balance Transfers will be posted in the Purchase Transaction segment of your Account Statement unless shown separately. Balance Transfers to another TCU loan Account, including THE Card Home Equity Loan, are not permitted on the TCU Accelerate Secured card. You make a Cash Advance Transaction when you use your credit card to obtain cash or cash equivalents. Cash equivalents include: ATM transactions, wire transfers, travelers' checks, money orders, foreign currency, lottery tickets, gaming chips and wagers. Cash Advances are posted to the Cash Advance Segment of your Account statement. You agree that we may charge your credit card Account for the amount of each transaction made on your Account. This paragraph shall not be interpreted as permitting or authorizing any transaction that is illegal.

Billing Cycle: The term "Billing Cycle" means the interval between the days or dates of the regular Account Statements, which may vary in length, but is approximately 30 days. The specific period of time is described on each Account Statement. However, you will have a Billing Cycle even if a Statement is not required. We will often specify a Billing Cycle by the month in which its closing date occurs as provided on the Statement. For example, a "March Billing cycle" will have a closing date in March. We may also refer to a Billing Cycle as the "Billing

Period.” If your Account balance has charged off, we may switch to quarterly Billing Cycles to your Account.

Interest (Finance) Charges

Rate: This VISA® Accelerate Secured Credit Card has a fixed interest rate as stated on your Application within the APR for Purchases, APR for Balance Transfers and APR for Cash Advances.

Interest (Finance) Charge Calculation Method for Credit Purchases. The interest (*Finance*) charges on merchant or credit purchase transactions (“Purchase Transactions”) begin to accrue on the transaction date. The interest (*Finance*) charges for a Billing Cycle are computed by applying the daily periodic rate to the average daily balance (for Purchase Transactions) multiplied by the number of days in the Billing Cycle. The average daily balance is determined by dividing the sum of the daily balances during the Billing Cycle, by the number of days in the Billing Cycle. To get the daily balance we start with the beginning balance of your Account each day (for Purchase Transactions) to which we add all new purchases and any other debits and subtract the amount of payments and credits to your Account. Then we total the daily balances (for Purchase Transactions) for each day of the Billing Cycle and divide the result by the number of days in the Billing Cycle. This gives us the Average Daily Balance of your Account (for Purchase Transactions) for the Billing Cycle.

Fixed Annual Percentage Rate (APR) for Credit Purchases. We will charge interest (*Finance*) charges and fees to your Account as disclosed on your Statement and other Disclosures. In general, interest (*Finance*) charges begin to accrue from the day a transaction occurs. However, we will not charge you interest on any new transactions posted to the purchase *Segment* of your *Account* if you paid the total balance across all *Segments* of your *Account* in full by the due date on your *Statement* each month. From time to time, we may give you offers that allow you to pay less than the total balance and avoid interest charges on new purchase *Segment* transactions. If we do, we will provide details in the specific offer.

We will generally treat *Fees* as purchase transactions unless otherwise specified below. These *Fees* apply to your *Account* only if your interest rate and interest (*Finance*) *Charge Disclosures* provide for them. We may increase your *Interest (Finance) Charges* and *Fees* as described in the *Fees and Charges* section of this agreement.

Interest (Finance) Charges Calculation Method for Balance Transfers. The *Interest (Finance) Charges* on Balance Transfer Transactions begin to accrue on the transaction date. The *Interest (Finance) Charges* for a Billing Cycle are computed by applying the daily periodic rate to the average daily balance (for Balance Transfer Transactions) multiplied by the number of days in the Billing Cycle. The average daily balance is determined by dividing the sum of the daily balances during the Billing Cycle, by the number of days in the Billing Cycle. To get the daily balance we start with the beginning balance of your Account each day (for Balance Transfer Transactions) to which we add all new Balance Transfer Transactions and any other debits and subtract the amount of payments and credits to your Account. Then we total the daily balances, (for Balance Transfer Transactions) for each day of the Billing Cycle and divide the result by the number of days in the Billing Cycle. This gives us the Average Daily Balance of your Account (for Balance Transfer transactions) for the Billing Cycle.

Fixed APR for Balance Transfers. We will charge *Interest (Finance) Charges* and *Fees* to your Account as disclosed on your Statement and other Disclosures. In general, *Interest (Finance) Charges* begin to accrue from the day a transaction occurs. However, we will not charge you interest on any new transactions posted to the purchase *Segment* of your *Account* if you paid the total balance across all *Segments* of your *Account* in full by the due date on your *Statement* each month. From time to time, we may give you offers that allow you to pay less than the total balance and avoid *Interest (Finance) Charges* on new purchase *Segment* transactions. If we do, we will provide details in the specific offer.

We will generally treat *Fees* as purchase transactions unless otherwise specified below. These *Fees* apply to your *Account* only if your *Interest Rate* and *Interest (Finance) Charge Disclosures* provide for them. We may increase your *Interest (Finance) Charges* and *Fees* as described in the *Fees and Charges* section of this agreement.

Interest (Finance) Charges for Cash Advances. The *Interest (Finance) Charges* on Cash Advance Transactions begin to accrue on the date you obtain the Cash Advance or the first day of the Billing Cycle in which it is posted to your Account, whichever is later. The *Interest (Finance) Charges* for a Billing Cycle are computed by applying the daily periodic rate to the average daily balance (for Cash Advance Transactions) multiplied by the number of days in the Billing Cycle. The average daily balance is determined by dividing the sum of the daily balances during the Billing Cycle, by the number of days in the Billing Cycle. To get the daily balance we start with the beginning balance of your Account each day (for Cash Advance transactions) to which we add all new Cash Advance transactions and any other debits and subtract the amount of payments and credits to your Account. Then we total the daily balances (for Cash Advance transactions) for each day of the Billing Cycle and divide the result by the number of days in the Billing Cycle. This gives us the Average Daily Balance of your Account (for Cash Advance transactions) for the Billing Cycle.

Fixed APR for Cash Advances. We will charge *Interest (Finance) Charges* and *Fees* to your Account as disclosed on your Statement and other Disclosures. In general, *Interest (Finance) Charges* begin to accrue from the day a transaction occurs. However, we will not charge you interest on any new transactions posted to the purchase *Segment* of your *Account* if you paid the total balance across all *Segments* of your *Account* in full by the due date on your *Statement* each month. From time to time, we may give you offers that allow you to pay less than the total balance and avoid *Interest (Finance) Charges* on new purchase *Segment* transactions. If we do, we will provide details in the specific offer.

We will generally treat *Fees* as purchase transactions unless otherwise specified below. These *Fees* apply to your *Account* only if your *Interest Rate* and *Interest (Finance) Charge Disclosures* provide for them. We may increase your *Interest (Finance) Charges* and *Fees* as described in the *Fees and Charges* section of this agreement.

Minimum Interest (Finance) Charge. If you are charged *Interest (Finance) Charges*, the charge will be no less than \$.50.

How to Avoid Paying Interest (Finance) Charges on New Purchase Transactions. You can avoid *Interest (Finance) Charges* on new purchases by paying the full amount of the entire balance owed each month within 25 days of your statement closing. *This is called a grace period on new purchases.* Otherwise, the new balance of purchase, and subsequent purchases from the date they are posted to your Account, will be subject to an *Interest (Finance) Charge.* *There’s no grace period on balance transfers and cash advances.* Cash advances and balance transfers are always subject to an *Interest (Finance) Charge* from the date they are posted to your Account.

If your Account is a joint Account, we may use the funds in the joint Account when permitted by law to pay the debt of any Account owner, and we may set off any funds in the Account against a due and payable debt a partnership owes us now or in the future, to the extent of your liability as a partner for the partnership debt. If your debt arises from a promissory note, then the amount of the due and payable debt will be the full amount we have demanded, to which we are entitled under the terms of the note, and this amount may include any portion of the balance for which we have properly accelerated the due date. Our security interest will be governed by Uniform Commercial Code Article 9, whether Article 9 applies by its terms or not. We do not have to give you any prior notice to apply the funds. Full satisfaction of indebtedness shall be accepted by us only in a written agreement, signed by one of our authorized employees.

Foreign Currency Transaction: You agree that we may convert any charge or credit made to your Account in currency other than U.S. dollars into U.S. dollars following our own procedures for determining the exchange rate, and charge or credit your Account for the U.S. dollar amount. The amount determined by following our own procedures may be the same as, greater than, or less than the amount that would be calculated by conversion on the date when the transaction was actually initiated.

Illegal Transactions: You warrant and agree that the Credit Card, other access device or any related Account will not be used to make or facilitate any illegal transactions(s) as determined by applicable law: and that any such use, including any such unauthorized use, will constitute an event of default under this Agreement. We may decline to accept, process or pay any transaction that we believe to be illegal or unenforceable (regarding your obligation to pay us) under applicable law, including but not limited to any transaction involving or relating to any gambling activity. Certain federal and or state laws such as the Unlawful Internet Gambling Enforcement Act or Third- Party Service Providers' Rules may limit or prohibit certain transactions such as (but not limited to) those coded as possible gambling transactions. Such prohibition or limitations may affect some otherwise proper or allowable transactions such as debits, charges or other transactions at or relating to a hotel-casino. You further understand and agree that such limitations are not in our control and we will have no liability for the enforcement of this provision.

ATM Transactions. Withdrawals at ATM machines may be made using your Credit Card and personal identification number. Cash withdrawals may not exceed \$500.00 per calendar day. Except as otherwise provided in this Agreement, advances through ATM access will be treated as a Cash Advance. Owners of ATMs that we do not own may charge fees in addition to any fees described in this Agreement. This is not a fee charged by TCU; however, any such fee will be added to your Account. The party charging the fee is required to provide appropriate disclosures to you with regard to any such fees.

Waivers: We may waive or decline to enforce any of our rights under this Agreement without affecting any of our other rights. To the extent not prohibited by law and except for any required notice of right to cure for the failure to make a payment, you waive protest, presentment for payment, demand, notice of acceleration, notice of intent to accelerate and notice of dishonor.

Termination. Either you or we may, unless prohibited by law, terminate this Account at any time by giving written notice to the other. Termination by any one of you terminates the Account for all of you. Termination will not affect your obligation to repay advances made prior to the termination, in accordance with the terms of this Agreement.

Financial Reports and Additional Documents. You will provide facts to update information contained in your original Credit Card Application or other information related to you, at our request. You also agree that we may, from time to time, as we deem necessary, make inquiries pertaining to your employment, credit standing and financial responsibility in accordance with applicable laws and regulations.

Governing Law: This Agreement and your Account, as well as our rights and duties and your rights and duties regarding this Agreement and your Account, will be governed by and interpreted in accordance with federal law to the fullest extent possible and to the extent federal law does not apply, in accordance with Indiana law, regardless of where you live and use your Account, or as may be required by the Military Lending Act. This Agreement is made in Indiana. All credit will be extended from Indiana.

Severability: Should any provision of this Credit Card Agreement be determined to be invalid or unenforceable, that determination will not affect the validity or enforceability of any other provision.

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest (finance) charges on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake:* You will not have to pay the amount in question or any interest (finance charges) or other fees related to that amount.
- *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest (finance charges) and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within *10 days* telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card Account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at:
Teachers Credit Union, Customer Service, P.O. Box 31112, Tampa, FL 33631-3112

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

ARBITRATION AND WAIVER OF CLASS ACTION

You and TCU agree that both parties shall attempt to informally settle any and all disputes arising out of, affecting, or relating to your Accounts, or the products or services TCU has provided, will provide or has offered to provide to you, and/or any aspect of your relationship with TCU (hereafter referred to as the "Claims"). If that cannot be done, then you agree that any and all Claims that are threatened, made, filed or initiated after the Effective Date (defined below) of this Arbitration and Waiver of Class Action provision ("Arbitration Agreement"), even if the Claims arise out of, affect or relate to conduct that occurred prior to the Effective Date, shall, at the election of either you or us, be resolved by binding arbitration administered by the American Arbitration Association ("AAA") in accordance with its applicable rules and procedures for consumer disputes ("Rules"), whether such Claims are in contract, tort, statute, or otherwise. The Rules can be obtained on

the AAA website free of charge at www.adr.org; or, a copy of the Rules can be obtained at any TCU branch upon request. Either you or we may elect to resolve a particular Claim through arbitration, even if one of us has already initiated litigation in court related to the Claim, by: (a) making written demand for arbitration upon the other party, (b) initiating arbitration against the other party, or (c) filing a motion to compel arbitration in court. AS A RESULT, IF EITHER YOU OR WE ELECT TO RESOLVE A PARTICULAR CLAIM THROUGH ARBITRATION, YOU WILL GIVE UP YOUR RIGHT TO GO TO COURT TO ASSERT OR DEFEND YOUR RIGHTS UNDER THIS ACCOUNT AGREEMENT (EXCEPT FOR CLAIMS BROUGHT INDIVIDUALLY WITHIN SMALL CLAIMS COURT JURISDICTION, SO LONG AS THE CLAIM REMAINS IN SMALL CLAIMS COURT). This Arbitration Agreement shall be interpreted and enforced in accordance with the Federal Arbitration Act set forth in Title 9 of the U.S. Code to the fullest extent possible, notwithstanding any state law to the contrary, regardless of the origin or nature of the Claims at issue. This Arbitration Agreement does not prevent you from submitting any issue relating to your Accounts for review or consideration by a federal, state, or local governmental agency or entity, nor does it prevent such agency or entity from seeking relief on your behalf.

1. Selection of Arbitrator. The Claims shall be resolved by a single arbitrator. The arbitrator shall be selected in accordance with the Rules and must have experience in the types of financial transactions at issue in the Claims. In the event of a conflict between the Rules and this Arbitration Agreement, this Arbitration Agreement shall supersede the conflicting Rules only to the extent of the inconsistency. If AAA is unavailable to resolve the Claims, and if you and we do not agree on a substitute forum, then you can select the forum for the resolution of the Claims.

2. Effective Date. This Arbitration Agreement is effective upon the 61st day after we provide it to you ("Effective Date"), unless you opt-out in accordance with the requirements of the RIGHT TO OPT-OUT provision below.

3. Claims Arising Prior to Effective Date: THIS BINDING ARBITRATION CONSENT AND AGREEMENT APPLIES TO ALL CLAIMS THAT ARE FILED OR INITIATED AFTER THE EFFECTIVE DATE, EVEN IF THE CLAIM ARISES OUT OF, AFFECTS, OR RELATES TO CONDUCT THAT OCCURRED PRIOR TO THE EFFECTIVE DATE. If a Claim is filed or initiated prior to the Effective Date, this Binding Arbitration Consent and Agreement will not apply to such Claim.

4. Arbitration Proceedings. The arbitration shall be conducted within 50 miles of your residence at the time the arbitration is commenced. Any claims and defenses that can be asserted in court can be asserted through arbitration. The arbitrator shall be entitled to award the same remedies that a court can award. Discovery shall be available for non-privileged information to the fullest extent permitted under the Rules. The Arbitrator's award can be entered as a judgment in court. Except as provided in applicable statutes, the arbitrator's award is not subject to review by the court and it cannot be appealed. TCU shall pay for any filing, administration, and arbitrator fees imposed on you by the AAA. However, you will be responsible for your own attorneys' fees, unless you prevail on your Claim in the arbitration, in which case, we will pay your attorneys' fees. However, if TCU prevails, then you will not be required to pay its attorneys' fees and cost.

Any determination as to whether this Arbitration Agreement is valid or enforceable in part or in its entirety will be made solely by the arbitrator, including without limitation any issues relating to whether a Claim is subject to arbitration; provided, however, the enforceability of the Class Action Waiver set forth below shall be determined by the Court.

5. Class Action Waiver. ANY ARBITRATION OF A CLAIM WILL BE ON AN INDIVIDUAL BASIS. YOU UNDERSTAND AND AGREE THAT YOU ARE WAIVING THE RIGHT TO PARTICIPATE AS A CLASS REPRESENTATIVE OR CLASS MEMBER IN A CLASS ACTION LAWSUIT.

6. Severability. In the event the Class Action Waiver in this Arbitration Agreement is found to be unenforceable for any reason, the remainder of this Arbitration Agreement shall also be unenforceable. If any provision in this Arbitration Agreement, other than the Class Action Waiver, is found to be unenforceable, the remaining provisions shall remain fully enforceable.

7. Survival: This Arbitration Agreement will survive termination of the Account Agreement.

8. Right to Opt-Out. You have the right to opt-out of this Arbitration Agreement, provided you notify TCU of your intent to do so within 60 days after it is provided to you. Your opt-out is only effective if you notify TCU in writing at 110 South Main Street, South Bend, IN 46601 within such 60 day time period. If you fail to opt-out within this 60-day time, you will be deemed to have consented to the resolution of your Claims through binding arbitration. In the event you opt-out, it shall not affect other terms and conditions of your Account Agreement or your relationship with TCU.
